THE HERALD-MAIL, FAIRPORT, N. Y.

# College Notes

Donald J. Brickle was recently elected president of the Automotive Association, a new organization at Clarkson College of Technology. The association has been formed "to promote automotive safety, to provide instruction and education in the operation and maintenance of automobiles, to promote automotive knowledge among the public, and to provide facilities for the maintenance and repair of members' automobiles."

The son of Mr. and Mrs. Edward T. Brickle of 576 W. Whitney Rd., Brickle is a 1952 graduate of Fairport High School and is a sophomore majoring in mechanical engineering. He is a member of the Rifle Club; the Fish and Game Club; is on the staff of **WNTC**, campus radio station; and **Clarkson Guard**, honorary military fraternity of the ROTC.
